SUMMARY

Strategic Full Stack Developer with comprehensive expertise in end-to-end web application development. Combines technical proficiency in Next.js, Node.js, PHP, and MySQL with strong analytical skills to deliver high-performance, scalable solutions. Committed to driving measurable business impact through innovative web technologies and collaborative team leadership.

EXPERIENCE

Full Stack Web Developer

Mar '25 — Present

AVS & Sakthi Kailash Educational Institutions

Salem, India

Leveraged full-stack and front-end expertise to deliver **robust web solutions** and enhance user experiences for **AVS Engineering College, Sakthi Kailash Women's College, and AVS College of Arts and Science** in Salem.

Developed and deployed **PHP, MySQL, and JavaScript**-based web solutions, integrating front-end and back-end via **RESTful APIs**.

Optimized database queries and **reduced load times** by refining HTML, CSS, and JavaScript.

Collaborated with UI/UX teams on **responsive layouts**, improving user experience across devices.

Enhanced interactivity with **AJAX** for dynamic content and implemented **SEO-friendly designs**.
